

MISSION FAMILY

“Scouting and its role in your family.”

Welcome!

The Bay-Lakes Council, Boy Scouts of America is committed to providing extraordinary youth development programs that: strengthen values, develop leadership skills, provide lifelong learning and instill service to others.

We invite you to go to our website www.baylakesbsa.org to view the Mission Family presentation.

This short presentation will help you recognize the long-term benefits of Scouting. We will demonstrate to you that Scouting *is* worth your investment of time and your son's continued participation. With your help we can make a positive difference in his life and in lives of your entire family!
