Directions:

From Interstate 43 use the Cty Hwy XX (Cleveland) exit. Follow Cty Hwy XX west approximately 15 miles to the Camp Rokilio sign (Rokilio Road). Turn south onto Rokilio Road to "T" intersection then east (left) to camp (DRIVE CAREFULLY, ROAD IS NARROW). We are staying in the John West lower Building which is located at the southwest end of camp, across from the parking lot.

Carpooling: We have 8 adults and 11 youth going to camp. If your scout is attending by himself, please be sure he has a ride to and from camp. It would be a good idea for families to car pool, even if you are attending camp with your scout, because the parking lot at camp is small and camp is full this weekend. If you would like to follow Steve Drevs down to camp, meet at his house at 2:00 pm. Please email him to let him know you are planning to follow, he will be pulling out by 2:15 pm. Otherwise go directly to camp on your own schedule, arrive any time after 4:30 pm.

Sleeping Quarters. The building has two bunk rooms. One of the bunk for male youth. The second bunkroom will be for the adult men.

Bathrooms. The building does have indoor plumbing. There is one bathroom, there is no shower.

Adult Responsibilities. All adults are expected to help with camp responsibilities. We will need help with cooking, cleanup, etc. Scouts should also help as much as possible.

Smoking, Alcohol: All council-owned buildings of the Bay- Lakes Council are smoke-free. You may only smoke in the designated smoking area on the edge of the property, out of site from any scouts. Alcohol is not allowed at scouting events.

Trading Post: There is a trading post that they usually open on Saturday. They have trinkets, clothing, soda and candy. Scouts may bring spending money but only send them with what you want them to spend...because they will spend every dollar they have.
