Pack 4031 is in need of help with our committee:

I hope that we all have a lot of fun in the meetings and activities that we do with Pack 4031, but the truth is, we could not do it without help from Volunteers. We have some key roles in our leadership that will soon be changing over with scouts who are aging out of the program. You can help in many ways either wearing the brown uniform, or not. Do you have computer skills? Are you good at Organization? What other abilities do you have that you can help contribute to the pack. It truly comes in many ways from helping us set up before derbies, running the computer end of the derbies so we can keep track of all the times, maintaining our website, or general help of keeping us organized. If you would like to become more involved with the pack, please reach out to Brandon Collett cubmaster@pack4031.com or Eric Lamal guywitha30.06@gmail.com or any of the leaders with in the pack and help us keep the pack running strong.
